Readership by Job Function

Industrial Machinery Digest's reader base consists of individuals who have the power to make purchasing decisions — decisions which will lead to new and continuing sales for our advertisers.

Readers By Categories

- Job Shops
- Machine Shops
- Fabricating Shops
- Original Equipment Manufacturers (OEM)
- Maintenance & Repair Operations (MRO)
- Contract Manufacturers
- Gear Manufacturers
- Industrial Facilities & Manufacturing Plants

On a daily basis, in print and digital, our readership turns to *Industrial Machinery Digest* for making verified purchasing decisions.

* IMD Brand Reach is publisher's own data and includes website page views, eNewsletter subscribers, social media impressions, and IMD Magazine circulation. Magazine circulation based on UCC Purchasing Statistics. IMD Quarterly digital subscribers are based on publisher's own data.

Benefits of Partnering with IMD

Since 1986, Industrial Machinery Digest (IMD) has been a manufacturing and metalworking industry leader. With over 70 years of combined experience, our expert team produces influential content that drives purchasing decisions. Through our robust editorial platform and UCC filing audits, we reach a verified readership, connecting with engaged small-to-medium job shops, machine shop owners, engineers, and OEM decision makers.

Industry News

Condensed press release summaries offering quick overviews of manufacturing sector advancements.

Business 4.0

Streamline operations with tech systems, quality control, and shop management insights.

Talking Shop

Engage with industry experts, gaining valuable insights and trends for growth.

Safety & Maintenance

Crucial workplace safety and maintenance protocols to prevent downtime.

Manufacturing Showcase

Profiles on companies, showcasing innovation, standout employees, and success stories.

Automation & Robotics

Stay updated on machinery, fabrication, and automation trends.

New Technology

Explore game-changing industry innovations.

Workforce Development

Highlighting strategies for training the new workforce.

Process

Discover cutting-edge manufacturing techniques like heat treating and additive manufacturing.

Industry Insight

In-depth coverage of topics like cutting systems, robotics, and automation.

Product Showcase

Hand-picked Top Products highlighting sector advancements.

Engage Your Audience Directly with Industrial Machinery Digest: Amplify Your Reach

Welcome to the world of Industrial Machinery Digest, where your brand's message meets an audience primed for engagement. As you explore the pages of our magazine, you're stepping into a landscape meticulously crafted to resonate with your goals. From the condensed pulse of industry breakthroughs in "Industry News" to the deep dive into digital systems and shop management in "Business 4.0," your solutions find a receptive audience here.

Looking to establish thought leadership? Dive into "Talking Shop," a direct avenue to industry experts sharing insights that bolster your credibility. Showcasing your commitment to safety and maintenance, "Safety & Maintenance" aligns perfectly with a readership already attuned to responsible practices.

"Manufacturing Showcase" offers a spotlight for your success stories and innovations to shine, while "Automation & Robotics" propels you forward into the cutting-edge world of manufacturing.

Let your innovation speak through "New Technology," and tap into eager minds in "Workforce Development" seeking to enhance their skills and knowledge.

Delve deeper into refining techniques in "Process," and expand your understanding of manufacturing dynamics in "Industry Insight."

Industrial Machinery Digest transcends the role of a mere magazine; it's your strategic vehicle to engage with an audience already poised for interaction. Through our tailored sections, your brand connects directly with readers, making the most of your impact in the vibrant landscape of industrial manufacturing.

ISSUE	EDITORIAL SUMMARY	HIGHLIGHTS & FOCUS
JANUARY Materials Due 12/10/24	Industry Outlook 2025. Materials Due: 12/10/2024 – Tradeshow Coverage: D2P	<ul style="list-style-type: none"> Automation & Artificial Intelligence. Safety & Maintenance Tool Management Cutting Systems
FEBRUARY Materials Due 1/10/25	Fabrication & Forming Techniques Innovative Welding Technologies. Explore the latest advancements in technologies that are revolutionizing fabrication.	<ul style="list-style-type: none"> Fabrication Forming Finishing Deburring Sawing Press Brakes and Shears
Q1	IMD Quarterly Automation & Robotics Edition	
MARCH Materials Due 2/10/25	Predictive vs Preventative Maintenance. Dive into maintenance strategies that are critical for the longevity and efficiency of manufacturing equipment., (Promat 2025)	<ul style="list-style-type: none"> Hoists, Cranes, Forklifts Mold and Diecasting Fume and Dust Extraction Clean Air Solutions
APRIL Materials Due 3/10/25	The Latest in Tooling and Workholding	<ul style="list-style-type: none"> Gear Cutting Cutting Tools Quick change tooling Clamps & Vices Marking Systems
MAY Materials Due 4/10/25	Automation & Robotics with a Fast ROI The Role of AI in Manufacturing Automation. Focuses on how AI is driving innovations in automation and robotics, including the integration of cobots and end-of-arm tooling to enhance efficiency and flexibility in manufacturing processes. (Automate, Eastec)	<ul style="list-style-type: none"> Controls Automation CNC Software End of Arm Tooling Punching & Stamping Cutting Systems

“ I’ve been an advertiser with *Industrial Machinery Digest* for years. Aside from excellent customer service, William and his crew can always be depended upon to put Dynabrade Power Tools in a positive light.

What we really like is the fantastic Trade Show exposure they provide. Either they are exhibiting at shows, or walking shows. This results in additional exposure to the advertiser. Truly a grass roots effort. Something you never see from other industrial publications in today’s market. ”

— Andy | [Dynabrade](#) – *Manager of Automation Products*

Industrial Machinery Digest’s Sponsored Content Edge

SPONSORED CONTENT

- Pinpoint Targeting:** Connect directly with decision-makers and influencers interested in your offerings.
- Thought Leadership:** Showcase your expertise, gaining credibility as an industry leader.
- Seamless Engagement:** Blend seamlessly into the user experience, boosting interaction rates.
- In-Depth Insights:** Explore your offerings comprehensively, educating your audience effectively.
- SEO Impact:** Elevate your online presence and rankings with valuable content.
- Partnership Opportunities:** Collaborate for expanded reach and industry credibility.

Elevate your brand with Industrial Machinery Digest’s Sponsored Content—precision, credibility, engagement, insights, SEO, and partnerships in one package.

Online Supplier Directories

The IMD | *Industrial Machinery Digest* online directories are your supply chain sources for your business's extensive product and service providers. Our online directories are easily searchable and provide the contact information needed to quickly find the suppliers products or services you're looking for!
